Installation of Officers & Silent Auction

May 20th 10:30 am- 2:30 pm

Award winning La Puglia Restaurant, Santa Monica

Featured Vocalist, Nicolette Holman

This year our committee will meet in person to honor and celebrate our new officers for the 2023/2024 season. Please join us for a fun and lively afternoon of Italian opera, and jazz classics followed by an authentic southern Italian food experience from the Puglia region of Italy.

Our featured and renown performer will captivate us with her interpretations of Opera and sing favorite Jazz and Blues classics. Nicolette has a long resume of musical experience including award-winning voice coach to the members of the National

Children's chorus who performed at Disney Hall in February. Nicolette has also performed for Warner Brothers Studios, Long Beach Symphony, and LA Opera. Her extraordinary range will captivate and delight us. Nicolette will be accompanied by Matthew James, an accomplished keyboardist who has worked with Grammy award winning musicians such as Rihanna and John Mellencamp.

La Puglia opened two years ago and was awarded Gambero Rosso's restaurant of the year 2023. Highlighted by its urban contemporary architectural design and stunning private gallery room, it's become a popular hot spot in Santa Monica in the short time it's been open. Lunch will be served "Italian family" style with many food options for all discerning tastes. There will be an open no host bar for added libations.

Our silent auction will include original, fun, creative and enticing items.
